

Treasure on the Mountain 2024 Ticket FAQ

How much are raffle tickets this year?

Main event raffle tickets are \$150 – same as last year. That includes tons of great food from our vendors, non-alcoholic beverages and a chance at over \$350,000 in cash & prizes. Guest passes are \$40 and can be purchased in advance or at the gate.

How many do you sell?

We only sell 5,000 main event tickets. Each ticket has 2 numbers, giving you 2 chances to win in every drawing. Tickets SELL OUT every year prior to the event – so don't wait to get yours!

What is the Progressive 50/50?

A fun new offering this year for our guests! It works like any other 50/50 drawing. The pot started the day tickets went on sale and will continue growing until the night before the event. The winner gets half the pot in cash. Tickets are \$25 each or 3 for \$50. They can be purchased separately or with a main event ticket (the Snowshoe Bundle). No limit to how many you can buy. How big will the payout be? We'll know in August! But we expect it to be over \$20,000 and it could be much, much higher.

How can I buy tickets?

Tickets can be purchased at the Snowshoe Foundation website: snowshoefoundation.org

What about paper tickets?

We've gone paperless! For several reasons – including risk and expense – we no longer produce paper tickets. All tickets are sold digitally through our website.

How does it work?

It's super easy and takes only a couple of minutes. Go to the Treasure on the Mountain section of our website and click 'Buy Tickets'. Make your selections, fill in your contact and credit card information, and you're done! Your tickets will be emailed to you as PDF files within just a few minutes.

Is it safe??

YES! We take your privacy seriously. Our credit card transactions are processed by Stripe – a security leader who processes millions of transactions for Amazon, Google and many other global firms.

What about community organizations who used to raise money by selling tickets?

They still do. We partner with many local organizations who benefit by helping us sell tickets. When purchasing tickets, simply select a 'Sales Partner' from the dropdown list and that organization will earn the same sales commission as they did selling paper tickets.

What do I need for entry into the event?

You can print and bring a paper ticket or show the ticket on a mobile device. Each main event ticket has a unique QR code which will be scanned to get your access bracelet for the event. Access bracelets will be available for pickup in Snowshoe Village the week of the event and at the gates the day of the event.

Do I need to attend the event to win prizes?

No! For both the main raffle and the Progressive 50/50, all you need is a ticket with the winning numbers. If your ticket wins and you didn't attend the event, we will contact you.
